TAXING AUTHORITIES

This tax statement reflects taxes set by several taxing authorities. The Treasurer's office does not set tax rates. The Treasurer's office oversees the collection of taxes.

- The State Legislature, through statutes, sets the rates for School Equalization Tax.
- The Board of Supervisors sets the tax rates for Yuma County.
- Each city or town, school district, special district and irrigation district independently sets its own tax rates.
- Bond amounts represent amounts previously determined and voted on by area residents.

Please refer questions regarding a tax line item to the taxing authority responsible for that portion of your tax bill. Thank you.
